EXPERIENCE

Epic, Madison, WI

July 2025 – Present

Quality Manager

- Certified in Lumens, Radiant, SmartForms, and Cogito Fundamentals.
- Wrote SQL queries against Clarity to validate workflow data for automatic specimen logic for combination procedures.
- Designed and executed workflow testing plans for 200+ features, coordinating with Beaker and OpTime application teams on cross-module integration points.
- Led monthly “Braintrust” meetings with gastroenterologists and clinical informaticists to validate endoscopy documentation tools and CPT codes, ensuring regulatory compliance and alignment with real-world clinical practice.
- Configured a Generative AI Dashboard that measures ADRs for Lumens

SGP International, New York, NY

May 2023 – Aug 2023

Coding Intern

- Engineered a desktop and IOS app that tracked and organized collections for museums and galleries.
- Coded in Microsoft Power BI, PowerApps, Python, and SQL for app development.
- Incorporated UX design principles to improve the user interface.

Adult Skills and Knowledge (ASK) Lab, Houston, TX

Sept 2022 – Dec 2024

Study Design Research Assistant

- Designed survey items and analyzed data using RStudio to assess employee learning in Excel.
- Co-authored final lab reports incorporated into a published study on Massive Open Online Courses (MOOCs).
- Edited and contributed to 8 literature reviews, master’s and PhD theses.

Center for Societal Aspiration (CSACO), Chicago, IL

May 2024 – Aug 2024

Human Resources

- Designed 15 job postings and training materials for new hires at the nonprofit.
- Interviewed and onboarded employees with the organization’s founder.
- Led meetings with interns and ensured clear communication between volunteers and management.

Seattle Anxiety Specialists, Madrid, Spain (remote)

Sept 2023 – Jan 2024

Research Intern

- Hosted a [podcast](#) with Dr. Sandra Parsons to discuss issues in social psychology.
- HIPAA compliance officer.

LEADERSHIP & OUTREACH

Design for America and Academic/Orientation Advisor, Houston, TX

Aug 2023 – May 2025

Team Member

- Devised and implemented freshman programs to ease the first-year experience.
- Guided and tutored students in psychology and business.
- Managed project timelines, coordinated stakeholder meetings, and created compelling UI/UX designs, ensuring successful implementation of human-centered designs to improve life for the children of incarcerated parents.

Partnership for the Advancement and Immersion of Refugees (PAIR), Houston, TX

Oct 2022 – Jan 2025

Teacher’s Assistant

- Mentored refugee students in adapting to life in the United States.
- Supported students in navigating academic, social-emotional, and civic issues.
